**Package 1:**

<input type="checkbox"/> <b>Antibody Production in:</b>	<input type="checkbox"/> <b>2 Rabbits: \$595.00</b>	<input type="checkbox"/> <b>2 Chickens: \$595.00</b>	<input type="checkbox"/> <b>1 Goat: \$995.00</b>
Includes: 13 Week Bleed/Immunization Protocol			

**Package 2:**

<input type="checkbox"/> <b>Peptide Antibody Production in:</b>	<input type="checkbox"/> <b>2 Rabbits: \$1095.00</b>	<input type="checkbox"/> <b>2 Chickens: \$1095.00</b>	<input type="checkbox"/> <b>1 Goat: \$1495.00</b>
Includes: Peptide Synthesis (15aa) • Carrier Protein Conjugation • 13 Week Protocol			

**Package 3:**

<input type="checkbox"/> <b>Monospecific Antibody Production in 2 Rabbits - \$1495.00 (save \$100.00!)</b>
Includes: Peptide Synthesis (15aa) • Carrier Protein Conjugation • 13 Week Protocol • ELISA (1 <sup>st</sup> Bleed) • 25ml Affinity Purification

**Package 4:**

<input type="checkbox"/> <b>Phosphospecific Antibody Production in 2 Rabbits - \$2445.00 (save \$100.00!)</b>
Includes: Non-Phosphorylated Peptide Synthesis (15aa) • Phosphorylated Peptide Synthesis (15aa) • Carrier Protein Conjugation • 13 Week Protocol • ELISA (1 <sup>st</sup> Bleed) • 25ml Affinity Purification (against both peptides)

**Peptide Sequence Information:**

Sequence: NH <sub>2</sub> -	-OH
Peptide Name:	<input type="checkbox"/> <b>Additional Peptide Residues: \$20.00/residue x _____ = \$ _____</b>

**Customer-Supplied Antigen Information:**

Antigen ID:	Quantity:	Concentration:	Form:
-------------	-----------	----------------	-------

**Additional Services:**

<input type="checkbox"/> Add Sodium Azide (preservative)	No Charge
<input type="checkbox"/> Exsanguination / Terminal Bleed (2 Rabbits)	\$60.00
<input type="checkbox"/> 4 Week Extension (2 Rabbits or 2 Chickens)	\$180.00
<input type="checkbox"/> 4 Week Extension (1 Goat)	\$375.00

**Immunochemistry:**

<input type="checkbox"/> ELISA (per bleed)	\$50.00
<input type="checkbox"/> Affinity Purification (25ml Serum)	\$450.00
<input type="checkbox"/> Affinity Purification (200ml Serum)	\$850.00
<input type="checkbox"/> Affinity Purification (25ml - Egg Yolk)	\$600.00
<input type="checkbox"/> IgG Purification (25ml Serum)	\$295.00
<input type="checkbox"/> IgY Purification (25ml - Egg Yolk)	\$400.00
<input type="checkbox"/> Conjugation to Carrier Protein	\$200.00
<input type="checkbox"/> Other:	\$

**Billing Information:**

<input type="checkbox"/> PO #:
<input type="checkbox"/> Credit Card #: _____ CSC: _____
Name on Card: _____
Expiration Date: _____ <input type="checkbox"/> Visa <input type="checkbox"/> MC <input type="checkbox"/> AMEX

**Shipping Information:**

<input type="checkbox"/> Quoted Shipping Cost: \$
<input type="checkbox"/> FedEx Account #:

**Total Cost:**

\$
